

Whole School Review of Pupil Development, Behaviour & Welfare

Wednesday 27th March 2019

09:15—12:15

Hopwood Hall College, Rochdale Campus

Trainer: Lesley Persico (External Consultant)

Audience: Senior Leadership Team

During this session we will explore:

- A range of methods to monitor, evaluate and audit behaviour across the school
- How to use a range of data to make informed judgments on pupil development, behaviour & welfare across a department, key stage or whole school
- Identify key priorities to make improvements across a key stage, department or whole school for pupil development, behaviour & welfare.
- Use a range of information to formulate an action plan linked to whole schools development plan for pupil development, behaviour & welfare
