

I CAN Early Talk Boost

What is Early Talk Boost? An evidence-based targeted level intervention, which narrows the language gap. The training will give participants the skills and knowledge to understand the rationale behind the intervention, identify appropriate children, measure their progress and deliver the intervention successfully. Can be delivered using Pupil Premium/Early Years Pupil Premium

Course Objective: To train practitioners to deliver the intervention to groups of up to 8 children aged 3-4 years old with delayed language development.

Tutors:

Fiona Collins (Specialist Teacher) and **Bobbie Bracken** or **Gemma Croasdell** (Speech & Language Therapists)

Licensed I CAN Tutors from the **RANS Talk to Learn Team** (formerly SLI Team)

Date: Friday 24th November 2017

Time: One day - 10.00am-12.30pm and 1.00-3.00pm with an hour for lunch

Venue: Hopwood Hall College, Rochdale Campus, OL12 6RY

Audience: Teacher/Senco and Teaching Assistant pairs

This is advised by ICAN so that ideally a TA can deliver the intervention and the Teacher/Senco can make links from the intervention to class teaching and take responsibility for each child's learning.

Phase: Nursery children aged 3-4 years

Cost: Training is free for REAL Trust members.

The Early Talk Boost Intervention Pack (Intervention Manual, Parent Training, Tracker Tool, Toolkit and 10 x 8 Jake and Tizzy story books) are purchased from I CAN at a cost of £450 if you decide to implement the intervention in your school. Further details from www.ican.org.uk/earlytalkboost

The intervention activities cover: **Attention and Listening, Understanding and using Early Sentences, Vocabulary, Building Sentences, Telling Stories, Taking Turns, and Conversation Skills**

Booking Details: Please see REAL Trust website. info@realtrust.org.uk 01706 926708
