

Everyday Materials and Rocks

Date: Friday 14th June 2024

Time: 9:30 - 11:00

Venue: Virtual Meeting Via Zoom

Trainers: David Snelling, STEM Learning PDL

Audience: Primary Staff

According to the National Curriculum, Science has changed our lives and is vital to the world's future prosperity, and all pupils should be taught essential aspects of the knowledge, methods, processes and uses of science.

Throughout Primary Education, pupils will be taught about Materials and Rocks throughout Key Stage One and Key Stage 2.

This course will :

- Focus on the National Curriculum science content requirements for Everyday Materials and Rocks in KS1 and lower KS2.*
- Highlight links to previous topics and common misconceptions.*

Due to limited time, it will not cover materials in Year 5.

Edgar Wood Academy, Heywood Old Road, OL10 2QN
