

ICT with MR P – Using iPads to enhance the Curriculum

Meet your Facilitator

Mr Parkinson has been a Primary School teacher for over 10 years. ICT Mr P provides inset, keynotes and training to schools nationally and internationally looking for innovative ideas to engage, inspire and transform learning. Training is delivered by a real teacher with real ideas for using tech to enhance learning across the curriculum. Using his expertise in ICT and mobile technology he has successfully built up a wealth of ideas and practical ways for iPads to enhance learning across the curriculum.

Session Details

5th November 2019

9:30am – 4:00pm

Course Content

The course will explore a wide range of classroom resources, technology and apps to enhance and enable the delivery of the curriculum in an innovative and fun way.

Lee will demonstrate ways to use technology to bring learning in the classroom to life. By the end of the session participants will be able to use apps to enhance their own teaching and learning as well as to share ideas across their own school to move the curriculum and teaching of ICT forward.
