

Make Outdoor Learning Fun - Stone Age Camp

Tuesday 22nd May 2018

13:30 - 16:00

Hollingworth Lake Visitor Centre

Trainer: NatureEd

Audience: All Staff

This session will focus on the Pre-history heritage, looking at where people would have lived in the local area and showing a range of activities to help pupils experience first-hand day to day survival of hunter-gatherers and early farmers.

Activities in the Stone Age camp will include foraging, fire lighting, charcoal & clay art.

Curriculum links: History (Stone ~ Iron Age); PSHE (risk taking); Science: (classification & materials)
