

Outdoor Learning - Forest Schools Den Building

Wednesday 13th March 2019

13:30—15:30

Venue: Hollingworth

Lake Visitor Centre

Trainer: NatureEd CIC

Audience: All Staff

The session will include looking at different designs, and how to use ropes, knots and simple hand tools to create natural play structures. We will consider what kit you need, where to source it and what extension activities you can do.

Curriculum links: Maths (counting, sorting, angles, measuring);

Design & technology (using different tools & materials);

PSHE (risk taking, team working)

To find out more details and to book a place go to
