

# Outdoor Learning – Natural Textiles & Dyes

**Wednesday 16 October 2019**

**13:30 —15:30**

**Venue: Hollingworth**

**Lake Visitor Centre**

**Trainer: NatureEd CIC**

**Audience: All Staff**

Focusing on the cotton and woollen textile industries relating to Rochdale's important heritage, this session will demonstrate how hands-on activities can inspire children to think about the past. Weaving, felting and print making are ideal as they can all be easily adapted for children of all ages to do within your school grounds.

**Curriculum links:**

**Science (seasonal changes and plant properties)**

**History (local study & industrialisation)**
