Interpreting, understanding and planning for the NEW Inspection

Audience

- Head teachers, Deputy heads, Senior Leaders, Middle Leaders

School Impact

- Using ECM tools breaking down Ofsted's new inspection handbook so that schools are aware of the implications of the New Inspection Framework on their setting.

By the end of the course you will:

- An overview of the key messages and practices in the New Inspection Framework September 2019.
- Consider the implications for your school of the new Inspection Handbook – conduct a SWOT analysis to identify what's new, what's different, what's next.
- Complete an action plan in readiness for inspection from September 2019
- Consider the latest updates and feedback from pilot schools and how schools can learn from these experiences.
- Leave with a free training power-point for staff on the new framework.
- Identify clearly your next steps.

What delegates have told us:

“The knowledge and experience of the associates leading the training is without exception of a very high standard and they are invaluable in supporting our school.”

“As ever, we found the feedback incredibly useful and it’s a real privilege to have access to your expertise. The support we have received from ECM has been key to the school’s rapid improvement and now ongoing successes.”

“It was enjoyable, well presented and there were lots of opportunities to share and gather ideas. Even better because the course leader knew what it was like for participants on the course. Great materials were provided for use back at school. Thank you for an enjoyable day.”
