

Is my school VI friendly?

The school environment and outside

Question	Can I answer this? Where can I find this information?
Is the lighting good - in classrooms, corridors, hall, dining areas, on stairs, etc.?	
Are there blinds or curtains that can control glare if this is a problem?	
Is there good colour contrast throughout the school?	
Do the edges of steps and stairs have good contrast?	
Are class and teaching areas free of clutter in circulation areas?	
Are there accessible storage areas where my child's special equipment can be safely stored?	
Does the school provide a generally quiet teaching environment in which it is easy to hear?	
Are signs easy to read - and is there the potential for tactile signage?	
Are there separate play areas for ball games?	
Are pathways and edges clearly defined?	
Are there seats or benches in areas of shade?	
Are vehicles well separated from pedestrians?
