

# Turning on the Learning Brain - Improving Behaviour for Learning

*Date: Tuesday 21st May 2024*

*Time: 16:00 - 18:00*

*Venue: Virtual meeting via Microsoft Teams*

*Trainers: ECM*

*Audience: Primary Staff*

*Post Covid schools are seeing more and more children struggling to co-exist, play, and socialise effectively. The result is more distress and more conflict.*

## *This session will:*

- This course seeks to look at better understanding of challenging behaviour.*
- Discuss how windows of tolerance affect escalating behaviour and how children process language and learning.*
- Offer some practical strategies to manage in-the-moment conflict and prevention, to improve the quality of learning in the classroom.*
- Provide some practical, verbal and non-verbal tools to de-escalate those conflict situations that arise,*
- More importantly how to prevent children's learning brains going off-line.*
