

Unlocking the Crucial Conditions for Effective Learning & Relationships (The Golden Triangle)

Date: Monday 10th June 2024

Time: 13:00 - 16:00

Venue: Virtual meeting via Microsoft Teams

Trainers: ECM

Audience: Primary Teachers and Leaders

The Golden Triangle is a really simple concept that binds three crucial conditions for effective learning with the authenticity, strength and warmth of the relationships that bring them together.

Leaders and teachers will consider and explore the conditions necessary to ensure the most effective teaching and learning, and how to create them.

By the end of the course delegates will:

- Have a good understanding of the key principles for achieving successful teaching and learning.*
- Have explored in depth some of the theoretical concepts that support the key principles.*
- Have considered from previous or current experience the relationship of these key principles to their own development and / or practice.*
- Identify next steps for developing the key principles of successful teaching and learning in your school context.*
