

# Visit Leader Training

**Tuesday 26th June 2018**

**09:00 - 16:00**

**The Highwood Centre, Norden, OL11 5XP**

**Trainers:** David Scourfield (RBC)

**Audience:** All staff

Hands on risk management whilst on educational visits away from your school site.

A full day training for teachers and school staff, covering the essentials for planning educational visits. Great for NQTs. The training includes theory and practical sessions using a local learning environment. Plus a beginners demonstration of the Evolve website. We aim to help develop knowledge, understanding and practical group management skills.

Hands on training looking at risk management include;

- \*crossing roads with large groups of children
- \*interaction with water margins
- \*steep slopes
- \*woodland activities
